### 2011 DUES

Dues were collected by the treasurer from the following clubs:

CLUB	# Swimmers Dues Paid 4/26/11	Additional Swimmers Estimated

HSC	55	5-25 – will know more next week
BEL	125	10

SAAB	201	30

If these numbers change dramatically, please let Leah Salinas ([leahsalinas@sbcglobal.net](mailto:leahsalinas@sbcglobal.net)) know as soon as possible because she will be using these numbers to purchase and bring award ribbons to the next meet.

A motion was made by CC for CCSL to provide labels for the award ribbons in addition to the ribbons. It was seconded by SH and unanimously approved. The bylaws were amended accordingly.

### STARTER SCRIPT

Dave Brown (HSC) gave a quick verbal report on the starter script that the Technical Committee has prepared and is proposing for use. A motion was made to approve the script by GHWO, seconded by CC and

unanimously approved. Dave will provide an electronic copy to Rebecca who will contact Minerva to ensure that she uses it for all the Starter Training Clinics.

### **OTHER TRAINING CONCERNS/ISSUES**

Minerva has expressed questions regarding turns on the 50M backstroke. She needs to know whether we want to use US Swim or High School Rules so that she can conduct appropriate training with our Stroke & Turn Judges. The Board concurred that we need further clarification regarding the difference between them and a clearer definition of a "continuous" versus a "non-continuous) turn. Rebecca will contact Minerva to request this information and pass it on to the Technical Committee who can in turn make a recommendation/decision about which to use.

### **BYLAWS**

Updates to the CCSL 2010 bylaws and attachments were discussed and appropriately motioned and approved. (A copy of the updated 2011 documents is attached to these minutes and will be provided to Dave Brown to post to the website. PENDING)

### **CCSL WEBSITE MAINTENANCE**

Dave Brown with HSC has been managing the CCSL website. There was discussion about making Website Manager a separate rotating position within the Board. Dave expressed that he is happy to continue taking care of it and everyone on the Board concurred that he has done a great job. It was decided that so long as Dave doesn't mind doing it, he will continue to do so as creating a rotation position will create too many logistical issues with the transfer of responsibilities, etc.

### **TREASURY REPORT**

The current balance in our checking account is \$16,953.24, which does not take into account dues collected at today's meeting.

There being no further business, the meeting adjourned at 1:02 pm
